

JOHN PAGE CLASSIC ASHBURN NAMED TO 2015 GUITAR PLAYER MAGAZINE HALL OF FAME

ONE OF ONLY FOUR GUITAR MODELS SELECTED AND THE ONLY NEW BRAND

Guitar Player: "A truly brilliant evolution of a certain classic solid body."

All Maximum Gear awards are unanimously selected by the GP editors to celebrate the past year's products we feel are transcendent, awesome, top of the tops, and totally deserving of the magazine's most prestigious Hall of Fame honor. The products could be Editors' Pick Award winners and/or devices that also blew our minds with incredible design, superlative value, transcendent craftsmanship, or fun factor. Which brings us to the Ashburn: We all felt this wonderful piece of gear exemplified our goals for the 2015 GP Hall of Fame Awards.

Howard Swimmer, Founder & CEO, HRS Unlimited:

"This award builds on prior accolades for the John Page Classic Ashburn, including Guitar Player "Editor's Pick" selection, a Guitar World Platinum Award and stellar product reviews in Vintage Guitar magazine and The Gear Page webzine. It further validates that we deliver on our game-changing promise, namely "the custom design genius of John Page, formerly Fender Custom Shop Co-Founder, in a breakthrough production guitar."
